Customer Information Notice

Under UK tax law we need you to confirm some details for us.

We have to identify and in certain cases report to HMRC the details of accounts held by customers and in certain circumstances their controlling persons if they are US Persons and/or tax resident outside the UK. We use the information collected from customers to determine whether or not the customer and where relevant their controlling persons should be included in the report to HMRC.

The details that may be shared with HMRC in relation to the entity and where relevant its controlling persons include: name, address, tax status, tax residence, tax identification number, date of birth/place of birth (where relevant), account number, account balance at year end and interest paid or credited to the account during the calendar year. HMRC may share this information of each account held by the entity with other tax authorities. The legislation under which we request and share this information is the Foreign Account Tax Compliance Act (FATCA) and the Common Reporting Standard (CRS), as incorporated into UK law.

Please complete all sections of this form. If we do not get the information, we may not be able to update the tax details of the entity and/or its controlling persons.

We cannot provide tax advice, however you can get more information from your tax advisor or on the Automatic Exchange of Information portal on the HMRC website.

If there is a change in the entity's tax status and/or where relevant the information provided in relation to its controlling persons, please let us know.
