Summary Box

Account name Fixed Rate Saver

What is the interest rate?

Term	Credit Interest Rate Gross*	Credit Interest Rate AER**	Gross return at maturity
6 months	3.05%	3.07%	1.51%
12 months	3.75%	3.75%	3.75%
24 months	3.75%	3.75%	7.64%

Rate effective from 04.06.26

Interest is calculated and accrued daily based on the balance in your account. Interest will be credited to your account on maturity and annually for the 2 year term. If you invest in the 6 month term, the actual interest you earn at maturity will be half of the annual rate.

Can Allied Irish Bank (GB) change the interest rate?

- No. The rate of interest will not change during the course of a term.
- If you decide to reinvest, the interest rate may differ to the interest rate applied on account opening.

What would the estimated balance be at maturity based on a £5,000 deposit?

The balance in your account at maturity will depend on how much you deposit and when, the interest rate, and the term of your investment. This projection is provided for illustration purposes only and does not take into account your individual circumstances.

Deposit	Interest Rate (Gross*)	Interest rate (AER**)	Term	Balance at maturity	Interest earned
£5,000	3.05%	3.07%	6 months	£5,075.62	£75.62
£5,000	3.75%	3.75%	12 months	£5,187.50	£187.50
£5,000	3.75%	3.75%	24 months	£5,382.03	£382.03
