10. We may use any intermediary or agent bank and clearing and settlement system of our choice to execute any payment. The routing and channel(s) used by us is entirely at our discretion. If we provide you with services which are not covered by the Payment Services Regulations (including, but not limited to, cheques and other Paper transactions) we will not be responsible for any delay or failure caused by any intermediary or agent bank or any clearing or settlement system.

11. Refunds will not be credited to your Account unless the Bank receives a refund instruction from a retailer or supplier in a form acceptable to the Bank. No claim by you against a retailer or supplier may be the subject of a counterclaim against the Bank.

12. We will not be Liable if, despite all our efforts, we are prevented (directly or indirectly) from meeting any of our responsibilities under these terms and conditions because of:

- a) A fault which has happened in any system used to carry out a transaction;
- b) An industrial dispute (for example, a strike);
- c) Anything outside our or our agents' or subcontractors' control;
- d) The Card being retained, damaged or not honoured by a third party.

13. To the extent permitted by law and except as otherwise set out in these Terms and Conditions we shall only be Liable to you for delay, mistake or omission on that part or that of our agent(s) in carrying out your payment instructions for an amount up to and including face value of your instruction together with any related interest and charges. We shall not be Liable to you for any other claims, demands, losses, cost, liability or expenses (including legal costs). For the avoidance of doubt we shall not be Liable to you for any indirect, consequential, special or economic loss or damage as a result of any delay, mistake or omission on our part or that of our agent(s) in carrying out your payment instruction. This clause does not affect your rights under the Payment Services Regulations 2017, or any other law, relating to unauthorised transactions or incorrectly executed transactions (for example, instructions not followed correctly or transactions not carried out properly).

14. No delay or omission on the part of the Bank in exercising any right or power under these Terms and Conditions or under any specific terms shall impair such right or power and any single or partial exercise thereof shall not preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Bank in respect of these Terms and Conditions and under any specific terms are cumulative and not exclusive of any right or remedy provided by law.

15. If we plan to close or move your business centre, we will tell you at least 12 weeks beforehand. We will tell you how we will continue to provide banking services to you.

16. If we plan to reduce your business centres' opening hours by more than 30% of the current hours, we will tell you at least 12 weeks beforehand.

17. Currency exchange rates can be obtained by phoning your business centre for details. We can change our exchange rate immediately and without notice.

18. From time to time, we offer new savings and investment Accounts. If you have any type of savings and investment Account, other than a fixed rate Account, which has been superseded because new Accounts are no longer opened or the Account is not actively promoted, we will either:

- a) keep the interest rate on the Superseded Account at the same level as an Account with similar features from the current range; or
- b) switch the Superseded Account to an Account with similar features from the current range.

This means that the interest rate on your Account will always be at least as good as the interest rate on an Account with similar features from the current range. Examples of similar features include notice periods, types of withdrawals, numbers of free withdrawals and how Deposits to and withdrawals from the Account, are made.

Where there is no Account, with 'similar features' we will, within two months of your Account becoming superseded:

- a) notify you that the Account is Superseded;
- b) tell you about our other Accounts; and
- c) help you to switch Accounts without any notice period and without any additional charges.

19. If a demand or notice issued in writing in connection with the Account is sent by post to the last address notified by you, we will consider this to have been properly served and received on the day that the envelope containing the demand or notice should have been received.

20. If we cannot or choose not to enforce any term which applies to the Account, this will not affect our right to:

- a) subsequently enforce that term, or
- b) enforce any of the remaining terms

21. We may take whatever action we consider appropriate to meet our responsibilities in the UK or elsewhere in the world, to prevent fraud, money laundering or terrorism. People who governments believe to be involved in criminal activity may be put onto a sanctions list and financial institutions are not allowed to provide financial and other services to them. The action we take may include investigating and stopping payments into and out of an Account and making enquiries to find out whether a person has a sanction against them or if the payment goes against our policies. Making enquiries or investigating payments can take time and this may mean there is a delay or we may not be able to go ahead with your instructions.

22. All parties will be responsible both individually and jointly for complying with the Terms and Conditions of the Account and for repaying any money owed to the Bank. In the event of death, separation or divorce, all parties will be responsible both individually and jointly for any money owed.

23. Accounts may be opened for minors in the name of the minor solely. However, their Parent or Guardian must operate the Account until the child reaches the age of 16 years.

24. Death of an Account Holder

24.1 On the death of an Account Holder and subject to provision of relevant documentation, such as grant of probate/letters of administration and death certificate, the steps outlined in Section H, Closure of the Account will be implemented and the closing balance will be paid to the deceased's personal representative(s).

24.2 On the death of a Joint Account Holder, the closing balance will be payable to the survivor(s) or the survivor(s) may elect to transfer the Account into their name.

Section D: Opening the Account

Account opening requirements

1. We have a legislative and regulatory obligation to verify the identity and address of our customers. The Bank will retain on file, copies of the documentary evidence provided. In order that the Bank can comply with its obligations, all Customers are requested to provide proof of identity, normally with a current Passport or Full Licence, as well as proof of address, normally a current utility bill or recent bank statement. Original documentation must be supplied as copies are not acceptable. The Bank will advise at the time whether the items you provide as proof of identity and address are acceptable.

2. The Bank will also need to ensure your financial standing by requesting copies of bank statements. In addition, there are certain items that the Bank needs to see prior to opening an Account for you. The documentation required will depend on what type of customer you are and will be advised to you at the time.

Cooling off period

3. If you are not happy with your choice of Savings, Investment or Current Account(s) within 14 days of opening it, with the exception of a fixed rate Account, and you notify the Bank, in writing, of your dissatisfaction within this time, we will help you switch Accounts or we will give you all your money back with interest, where it applies. We will waive any notice period and any additional charges.

Section E: Operating the Account

1. Lodgements and payments to your Account (including Receiving money from outside the UK)

1.1 Payments can be made to your Account by cash, cheque, draft, other Paper transactions and by Electronic Payments. We may in the future accept payments to your Account by other methods which we make available. Electronic Payments can be made into your Account using the Faster Payments Service, CHAPS or Bacs. Such payments are subject to the rules applicable to the relevant scheme. Information is available from Your business centre or our Website.

1.2 Any funds paid into your bank Account in cash or through an Electronic Payment, in the same currency as the Account, will be available to you on the Banking day we receive them. If your Account earns interest, this will start from the date the cash or Electronic Payment is credited to your bank Account and will be calculated on the closing balance of your Account on each Banking day. Payments into your Account received after the Cut-off time may be credited on the following Banking day.

1.3 We will make information about individual payments made into and out of your Account available at all times (apart from when we occasionally carry out maintenance on our systems) through our contact centre, Your business centre and Online/Phoneline Services. You will also find the information on your statement.

1.4 If you or someone else lodges money into your Account by cheque, you will have to wait until the cheque has Cleared before you can use the funds. If a cheque is marked 'account payee', we can only credit it to the account of the person the cheque has been made payable to. You can find full details of the time it takes for cheques in the United Kingdom to clear in one of our business centre or via our Website.

1.5 We will not be Liable for any losses you may suffer as a result of a delay in cheques clearing or being collected, if this delay is outside our control.

1.6 If any item credited to the Account is not paid or if a payment to the Account is later recalled, we will take the amount of that item from your Account.

1.7 You can pay cash into your Account at the Post Office® using your Card or a Post Office® Cash Deposit Card. Daily and annual cash limits apply. You can find details at aibgb.co.uk/postoffice. You must make sure notes are sorted by denomination, and that coins are bagged.

1.8 You can pay cash into your Account using some automated cash machines. The cash machine will count the cash you deposit. If there is a discrepancy between the amount of cash counted by the machine and the amount you say you have deposited, we will credit your account with the amount the machine has counted.

1.9 A single daily and single annual cash lodgement limit will apply to cash payments into your Account at the Post Office® and at an automated cash machine. This means that if you make cash payments at an automated cash machine and at the Post Office® on the same day, the combined payments will count towards your daily and annual cash lodgement limits.

1.10 You can use a pre-printed lodgement slip to lodge Cheques at the Post Office®. The clearance cycle for cheques lodged at the Post Office® begins the day we receive the cheques usually the next Banking day.

1.11 The following table sets out when payments to your Account will be available for you to use.

1.12 Incoming International Payments

Receiving money from outside the UK or receiving money in any currency except sterling from an account based in the UK are known as Incoming International Payments.

To receive an incoming International Payment, you must provide the Payer with the following:

- Your full Account name and address; and
- Your IBAN and BIC of Allied Irish Bank (GB). Your IBAN is found on the front of your Account statement and Allied Irish Bank (GB) BIC is AIBKGB2L; or
- Your sort code and Account number; or
- For Euro payments originating within SEPA reachable countries by using SEPA, provide your IBAN.

Any incorrect information provided, including but not limited to IBAN and/or BIC may result in the delay of applying funds to your Account or the return of the incoming International Payment to the sending institution.

The fee for an incoming International Payment will be debited from the Account credited, unless you have agreed an alternative arrangement with your business centre.

Our fees and charges for International Payments are listed in our Customer Treasury Services Charges brochure which is available on our Website under "Fees and Charges" section or in any of our business centres. If you are receiving a payment within the EEA, in any currency, you and the Payee must pay your own bank charges. An intermediary Bank may not deduct its charges from the payment amount on a payment made in an EEA currency within the EEA. For non-EEA payments, an intermediary bank may deduct its charges from the payment amount before it is made available to us or to the Payee's Bank.

Any payment to your Account in a currency other than the currency in which your Account is denominated, will require a currency conversion using a foreign exchange rate.

For International Payments the exchange rate used for such conversions will be:

- a) for amounts up to and including our Standard exchange rate threshold value, our applicable Standard exchange rate on the Banking day on which the instruction is received by us; and
- b) for amounts over our Standard exchange rate threshold value, for foreign currency payments to your Account, we will attempt to contact you to negotiate a rate before we make the conversion.
- c) If we have been unable to contact you or have been unable to agree a rate with you within 2 hours of receiving the payment instruction or by 4pm at the latest on the Banking day on which a payment is received by us, we will apply the prevailing dealer exchange rate as determined by us at that time.

The exchange rate used to convert an Incoming International Payment by the Bank on the day of processing the transaction, will be quoted on the payment advice sent to you by post.

Exchange rate losses may occur where an incoming International Payment is returned to the sending bank by us due to incorrect or incomplete payment information.

In the case of an incoming International Payment, if we receive an instruction before currency Cut-off time and for SEPA Credit Transfer before 4pm, we will process your payment on the Value date quoted, unless the Value date specified has passed or unless it is a non-Banking day. If the date quoted has already passed, we will process your payment on the date we receive it. If a payment is received after the Cut-off time or on a non-Banking day, this will be deemed to have been received the following Banking day.

For payments received from other countries or paid in other currencies, various Cut-off times and Value dates apply. Please contact Your business centre or visit our Website for currency Cut-off times. The Cut-off times for electronic channels are available on the relevant channel.

We will provide you with the following information as soon as reasonably practicable after the payment has been processed:

- a) A Reference number enabling you to identify the payment, and where applicable, information relating to the Payer of the funds;
- b) The amount of the payment in the currency in which the funds is received by us;
- c) The amount of any charges payable by you for the payment;
- d) The exchange rate used by us and the amount of the payment after the currency conversion;
- e) The credit Value date; and
- f) Any Reference information provided by the Payer or their bank.

2. Withdrawals and payments from your Account

2.1 We will follow your instructions to withdraw funds or make a payment from your Account whenever we can. In order for us to follow an instruction you must:

- a) have sufficient funds in your Account to cover the payment or an Arranged overdraft limit which will cover the amount of the instruction;
- b) give us all of the information we need; and
- c) have authority to give us the instruction to make the payment from your Account.

If we accept a payment instruction and we are unable to carry out the transaction for any reason, we will let you know about this, unless we

cannot tell you because of a law or regulation.

2.2 Daily limits apply to the amounts that can be transferred through Online/Phoneline Services (see your Online Services terms and conditions or our Website for more information on these limits).

2.3 Before we make a payment from your Account, we will need your authority to do so. How you do this will depend on the type of payment you want to make. If you sign a Direct debit form, or if you use the Online/Phoneline Services to create payments, we take this as you giving permission. Other forms of permission include a written letter of instruction or a completed and signed application form.

2.4 As long as our procedures are complied with (including completing, either manually or through online/phoneline services, the relevant payment instruction) and security requirements are followed, payments can be made from your Account by any of the methods listed in sub-section 3 'Authorised Payments' below. We may in the future also allow payments by other methods which we make available.

2.5 We will only allow payments from a joint Account in line with the latest signing instruction (Mandate) that controls how you use the Account.

2.6 If we allow money to be withdrawn from your Account and this takes your balance overdrawn or over any Arranged overdraft limit (if we have already agreed a limit with you), we will not be making a commitment to allow up to these amounts to be withdrawn in the future. If you want to go overdrawn or over any Arranged overdraft limit for a short period, you should discuss this with us beforehand. We will consider your request and tell you whether or not we can accept it.

2.7 If we make a payment from your Account against money which has not yet Cleared, it does not mean we will do it again in the future.

2.8 Once we have processed your payment instruction, you cannot cancel it. However, if you need to amend or cancel an instruction that you have given us before we process it, we will try to make your change if it is possible. If you need to amend or cancel a payment instruction, you should give details to Your business centre in writing, by phone or by another method that we will tell you at the time. You will be responsible for any extra fees, expenses and exchange rate losses which are caused by amending or cancelling a payment instruction and for the costs of any payment investigation you ask us to carry out.

2.9 If we receive a request to refund a payment which we are told has been credited to your Account by mistake, we will contact you before authorising the refund. We are required to co-operate with the Payer's Payment service provider in these circumstances, which could include providing them with relevant information about you as the Payee, where they make a written request to us for information to enable the Payer to pursue you, as Payee, for recovery of the payment.

2.10 We may choose to make security checks from time to time, including making phone calls to you or your authorised representative. We have the right to delay or not authorise a payment if we are suspicious that you have not authorised the payment or it is fraudulent. We will not be responsible for any delay or failure in making any payment for the reasons above.

3. Authorised Payments

This section does not apply to Fixed Term Deposit Accounts. For further information on Fixed Term Deposit Accounts, please refer to Section I – Specific Terms and Conditions for Fixed Term Deposit Accounts.

When you sign a Direct debit mandate, you are authorising an originator (for example, utility providers, telecommunication providers and other service and product providers) to collect a payment from your Account and to instruct us to pay this collection. We are entitled to rely on the instruction received from the originator in order to make a payment from the Account.
- B. In order to cancel or amend either a Direct debit payment or a Direct debit mandate, you must contact the originator with whom you have agreed the terms of a mandate. You can cancel a Direct debit in one of our business centres, in writing or through our

3.2 We may, if agreed with us, accept verbal instruction from you on the phone after we have confirmed your identity by whatever means we deem appropriate. We may also accept authorisation from you for a payment to be made from your Account by any other means that we have agreed with you.

3.3 If we are advised that the Payee details of a payment you have authorised have changed, you agree to us updating the details in order for the payment arrangement to continue. If we cannot make the changes we will write to you to let you know.

3.4 In cases where a payment from your Account has been initiated by or through a Payee, you may be entitled to a refund if:

- the authorisation you gave did not specify the exact amount of the payment; or
- the payment made from your Account was more than reasonably expected, taking into account your previous spending pattern, the terms and conditions of your Account or Card and the circumstances surrounding the payment.

3.5 To request a refund, you must tell us as soon as possible if either or both of the above happen and, in any case, no later than 8 weeks after the amount is taken from your Account.

3.6 We will refund you within 10 Banking days of your request or of receiving any information we ask you to provide to us. If we refuse your request for a refund we will inform you of this within the same 10 Banking day timeframe along with our reasons.

3.7 You are not entitled to a refund if:

- a) you gave the Payment service provider direct permission to carry out the transaction; and
- b) the Payment service provider gave you information on the transaction, or made that information available to you, as agreed, at least four weeks before the date the payment was due.

If we refuse your refund request and you do not agree with this decision you may refer to the Financial Ombudsman Service. Please see the 'Making a complaint' section of these terms and conditions for details.

3.8 The Direct Debit Guarantee Scheme will protect payments you make by Direct debit (this does not include SEPA Direct debits). This scheme protects you if a Direct debit payment you have not authorised is taken from your Account. If any money is wrongly, or incorrectly, taken from your Account by a Direct debit we will, when we are informed about it, refund your Account and restore your Account to how it would have been had the payment not been taken.

3.9 The following table sets out when payments from your Account can be made and when the funds will be available to the Payee. The timeframes assume we have received the payment instruction before the Cut-off time on a Banking day. If we receive the payment instruction after the Cut-off time on a Banking day, it will be deemed to have been received the following Banking day. If we receive the payment instruction on a bank holiday, we will consider to have received it the next Banking day. If we receive a payment instruction which is post-dated (dated for some time in the future), we will consider to have received it on the day it is due to be paid. If this is not a Banking day, we will consider to have received it the next Banking day.

4. Using the Account

4.1 You must, at all times, keep the Account in credit or within any Arranged overdraft unless you have agreed otherwise with us. We will not provide you with an Arranged overdraft or any other type of credit if you are under the age of 18. You can lodge Cleared funds to your Account up to 2pm (12pm on Christmas Eve, if it is a Banking day) to cover any Direct debits, cheques or Standing Orders due to be taken from your Account that day. If the Cleared balance or the Arranged overdraft limit is not enough to cover the payments, some or all of them may not be paid.

4.2 If you have an Arranged overdraft on your Account, separate and extra terms and conditions will apply, which will have been provided to you. If you require another copy of these please ask Your business centre.

4.3 You should check the transactions on your statement regularly, and at least once a month, against your Account records. If an entry on the statement seems to have been made incorrectly or without your authority, you should tell us as soon as possible but no later than 13 months after the date the transaction was taken from your Account. This timeframe is reduced for payments initiated by or through a Payee (see section 3, subsection 3.4 – 3.7). Direct debits covered by the Direct Debit Guarantee Scheme which are protected indefinitely.

4.4 If your name, address, telephone number or any other contact details change, you must tell us immediately. You must also make sure that arrangements for receiving mail at your address are secure. If you do not keep to this condition, you may be Liable if the Account, cheques or Cards are misused.

4.5 If we issue any cheque books or Cards for you to use on your Account, these will continue to be our property at all times. You must return these to us if we ask you to, cutting the physical Cards in half and delete or un-register all related Digital Cards. You must also take all reasonable care to make sure that the cheque books and Cards are not misused, lost or stolen. If your cheque book, Card or Device is lost or stolen, you must tell us as soon as possible.

4.6 Statements

We must make your statement available to you at least every month and free of charge during any period that there has been a payment transaction on your Account. If you are a registered user of Online Banking, you have the option to view eStatements through this service. Using Online Banking you can choose to stop receiving your statements in paper format. If we do not hear from you, we will assume you are happy to receive your statement in the same way that you receive this information currently for example by way of paper statement or eStatement.

4.7 You can at any time change how you receive your statement – just contact Your business centre.

However you choose to receive your statement, we will send you a statement at least every 6 months following your last transaction without being asked.

Duplicate statements will be issued on request and a charge will be made for this service as detailed in our 'Personal Banking Service Charges Explained' brochure.

4.8 If you wish to receive your statement more than once a month you will be charged a fee for this service. Details of our fees can be found in our 'Personal Banking Service Charges Explained' brochure.

4.9 For joint Accounts, statements will be issued to all parties to the Account unless a dispensing notice is signed.

5. Payments made incorrectly or without authority.

This section does not apply to Fixed Term Deposit Accounts. For further information on Fixed Term Deposit Accounts, please refer to Section 1 – Specific Terms and Conditions for Fixed Term Deposit Accounts.

5.1 If a payment has been made from your Account incorrectly or without your authority, you must tell us as soon as possible. If we fail to make a payment correctly or a payment is made without your authority and you are eligible for a refund we will, as soon as possible, put your Account back to the position it would have been in had we made the

payment correctly. We will also refund any charges you have had to pay and any interest we have charged as part of the incorrect payment. Unless stated otherwise, the provisions of this subsection do not apply to payments made by cheque.

5.2 What happens if you have paid money to a fraudster?

Sometimes fraudsters trick customers into believing that they are making payment for goods or services, but this turns out to be a scam. For example, if you are due to send a Faster Payment or CHAPS payment to pay for something you bought in an online marketplace, a fraudster pretending to be a legitimate seller may ask you to send funds to an account that has been set up as part of the scam. This is called an "authorised push payment (APP)" scam. If you think you are a victim of an APP scam, you must contact us immediately

If you contact us, we will follow industry guidelines. We will look into this and let you know if we are able to reimburse you. Usually we can tell you within five (5) days.

If you are entitled to a refund, we will pay this into your Account straight away.

The industry guidance on APP scams only applies to certain types of payments between UK accounts in pounds sterling. This means that we cannot always reimburse you if you have been a victim of an APP scam.

5.3 You will only be entitled to a refund for an unauthorised or incorrectly executed payment if you tell us about the transaction as soon as possible and, in any case, no later than 13 months after the date the payment was taken from your Account. Different timeframes for notification apply to payments initiated by or through a Payee (see section 3, subsections 3.4 - 3.7 above) and Direct debits covered by the Direct Debit Guarantee Scheme which are protected indefinitely.

5.4 Where any of your personal Account details or other items allowing access to your Account (such as your Security Details) have been lost or stolen, you will be Liable to pay a maximum of £35 for any losses in respect of Unauthorised payments arising as a result. However, you will be Liable for all unauthorised transactions if you have acted fraudulently or with Gross negligence by failing to keep your Card, Device, PIN, Security Details or Safeguard System passcode safe in line with your terms and conditions or if you have (with intent or Gross negligence) failed to notify us without undue delay after becoming aware of the loss, theft or unauthorised use of any of the Cards or Security Details that we have issued to you in connection with the Account.

5.5 You are not entitled to a refund if the payment details you provided were incorrect (for example, you gave us the wrong account number or sort code for the Payee) and we used these to make the payment. However, we will make reasonable efforts to recover the funds involved in the payment. We may charge you for doing this. If we decide to charge you for this, we will tell you what the charge will be at the time you ask us to recover the funds. If you provide information as well as the payment details we ask for, we will only be responsible for making the payment in line with the payment details we asked for.

5.6 If we are unable to recover the funds you may write to us to request from us any relevant information we may have available in relation to the Payee in order for you to pursue recovery of the funds directly from the Payee.

5.7 You are not entitled to a refund from us if you have selected a Payee from your trusted beneficiaries list in Online Services in error and the Payee's Payment service provider receives the funds. If that happens, you must ask the Payee directly to return the funds to you. We will, however, make immediate efforts to trace the payment and give you notice of whether this has been successful.

5.8 If you dispute a transaction we have made on your Account and we refund this transaction, you must pay us back any refund you have claimed and we have the right to take this money from your Account if following our investigations, we find that you:

- a) agreed the transaction;
- b) have acted fraudulently or with Gross negligence;
- c) do not tell us about the claim in line with your terms and conditions;
- d) do not give us any information we ask for about your claim; or

- e) do not send us the refund application form within 14 days from the date you first told us about the claim.

5.9 We may prevent or stop any transaction on your Account if we have good reason to believe that:

- a) the security of your Account, Card, Security Details or Device is compromised; or
- b) the Account, Card, Security Details or Device could be used to commit fraud, or by someone who does not have authority to use it; or
- c) the transaction seems unusual compared with the way you normally use your Card;
- d) in the case of a Payment service that offers you credit (for example, an Arranged overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed; or
- e) the transaction would damage our reputation,

We may also refuse or decline to authorise any Transactions that may be inappropriate for your age group, for example gambling or betting.

5.10 Where applicable, we will try to contact you before we take a decision to decline a transaction, but it may not always be possible for us to do so. Please refer to Section A 'Contact Information' for the ways in which we can communicate with you. If we contact you by text message you may be asked to confirm a transaction by responding to the text message.

Section F: Interest

This section does not apply to Fixed Term Deposit Accounts. For further information on Fixed Term Deposit Accounts, please refer to Section I – Specific Terms and Conditions for Fixed Term Deposit Accounts.

1. General

1.1 When you open your Account you will be advised of the interest rates applicable to your Account. If we want to make changes to your interest rates, and these changes are to your detriment, we will communicate these changes to you at least two months prior to the changes becoming effective except for changes to sterling Reference Interest Rates explained below.

1.2 If our sterling interest rates are linked to a sterling Reference Interest Rate, we can change our sterling interest rates immediately and without notice. For changes to Non-sterling Reference Interest Rates see the Customer Treasury Services Terms and Conditions.

1.3 We will give you at least 14 days' notice before we deduct interest from your Account, as detailed in our 'Personal Banking Charges Explained' brochure.

1.4 Interest on your Account can be made up of either or both of the following:

- a) Debit Interest
- b) Credit Interest

2. Debit interest

Debit interest is interest we charge you for going overdrawn on your Account. However, any Arranged overdraft limit will have an interest-free portion within the arranged limit. We will only charge debit interest on the overdrawn balance in excess of this Interest-free limit.

If we do arrange an overdraft facility for you, we will tell you the debit interest rate that will apply.

3. Credit interest

3.1 Credit interest, if applicable, is calculated each day, based on the Cleared balance in your Account, up to and including the day before you withdraw the funds.

3.2 Credit interest, if applicable, will be credited to your Account monthly, on the 16th of each month. If the 16th falls on a day which is not a Banking Day, we will apply interest to your Account on the following Banking Day. If the terms of the particular Account are that the interest rate increases as your balance increases, the higher rate is paid on all the money in your Account.

3.3 Credit interest, if applicable, on your Accounts will be paid gross. If your credit interest is more than your Personal Savings Allowance you may still have tax to pay. Please see www.gov.uk for information on the Personal Savings Allowance or speak to a tax advisor.

3.4 Certificates of interest earned on your Account, if applicable, are available at the end of each fiscal year and will only be issued on request. Please contact Your business centre.

Section I: Specific Terms and Conditions for Fixed Term Deposit Account

1. Lodgements and payments to your Account

1.1 The Account must be opened with a minimum Deposit, the amount of which will be determined by us and advised on request at any of our business centres and via our Website.

1.2 If, during the Term of your Fixed Term Account, you find that you have additional funds, subject to a minimum of £5,000 these can be lodged to a separate Account but added to your original Fixed Term Account at its Maturity date. Each Account will be treated separately for tax purposes. See Section I conditions 4 and 7.

1.3 Instructions for lodgements of Cleared amounts of £250,000 and above must be received by 12.00pm on the day of the transactions to ensure that same day value is received by you.

1.4 The Term of a Fixed Term Account shall be agreed with us on the date of commencement and can be for any period between one day and five years.

2. Withdrawals and payments from your Account

2.1 Withdrawals from Fixed Term Accounts may only be made on the Maturity date in accordance with the Account operating instructions (Mandate) held.

2.2 Instructions for withdrawals of £250,000 or more must be received by us before 12.00pm on the day of the withdrawal.

2.3 Withdrawals and closures before the Maturity date are only permitted in exceptional circumstances at the discretion of the Bank and on receipt of a signed request. Should the Bank agree to an early withdrawal or closure, then the amount due on the date of the early withdrawal or closure will be paid subject to deduction of a redemption charge. The redemption charge consists of a funding charge (where applicable) plus an administration fee as per clause 2.3a and 2.3b.

- a. A funding charge will apply to early withdrawals/ closures if the applicable money market rate, as interpreted by the Bank, for the residual Term is higher than that of the money market rate on the commencement date of the Deposit (original rate). The charge will be based on the amount withdrawn, the Term remaining and the difference between the prevailing and original rates. If the prevailing rate at the time of withdrawal is lower than the original rate, then no funding charge will apply. The actual charge will be advised to you at the time of withdrawal. If you require further explanation or illustration of the funding charge calculation please ask at Your business centre.
- b. An administration fee of £50.

3. Maturity instructions

Fixed Term Accounts may be reinvested as follows:

- a) with instructions received from you to automatically reinvest the Deposit on the Maturity date, with or without the interest added to it. The Deposit will be reinvested for the same Term as previously and at the prevailing interest rate decided by us; or
- b) on receipt of fresh instructions from you on or before the Maturity date. Such instructions should be received by us before

12.00pm on the Maturity date. If no instructions are received on maturity, the Account will be reinvested on a daily basis and interest added to your capital daily. Within one week of maturity, should no instruction be received, the Deposit plus interest may be reinvested for the same Term as previously, at the prevailing interest rate decided by us.

4. Interest

4.1 The interest rate is variable and is only valid at the time a quotation is given. However, once agreed, the rate is fixed for the Term of the Deposit regardless of money market fluctuations.

4.2 Interest is calculated on the Deposit on a daily basis from the date of receipt of Cleared funds and is paid on the Maturity date, except in the case where the Monthly income option has been chosen, when interest is paid monthly. Where the fixed Term is equal to one year or greater, the interest will be paid at least annually.

4.3 Interest on the Deposit may be added to the Deposit for reinvestment on the Maturity date or paid to you according to your instructions.

5. Account record

A statement for your Fixed Term Account setting out full details of any transactions, including the Deposit, Term, interest rate and Maturity date will be sent to you on opening the Account, after each reinvestment or upon your request.

7. Closure of the Account

7.1 In the absence of express agreement to the contrary, you may terminate the relationship i.e. close the Account, by giving reasonable notice to us in writing on maturity of a Fixed Term Account.

7.2 If we close the Account, we will give you at least two months' notice in writing. In certain circumstances, where we have a valid reason, we may close the Account without notice. Upon termination of the Account, interest will be credited up to date and the balance issued to you.
